

# Uniform Guidance Procurement Rules in Effect 07/01/18

After a long grace period, the *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) Procurement standards (2 CFR 200.317-.326) will go into effect on all Federal and Federal flow-thru awards July 1, 2018.

These standards describe purchases as falling into five categories:

- 1) Micro-purchases
- 2) Small purchases
- 3) Sealed bids
- 4) Competitive proposals
- 5) Sole Source

These five categories will be defined and purchasing policies will be revised to support these new standards. To learn more about the standards and changes to support UK compliance, please plan to attend one of the following town halls:
