## Kentucky Swing Bed Quality Improvement Kick-Off Webinar

*Join our informational webinar about a project on improving your Swing Bed Quality.*

Kentucky Office of Rural Health is partnering with **Stroudwater** to offer a Swing Bed Quality Improvement project. Join us during this kick-off to see how your hospital would be impacted by participating in this project!

Not sure if this project fits your hospital? Join the webinar, ask some questions, then let us know your needs. Our office is here to support you, we can't continue to grow together unless we know your needs.

## National CAH Quality Inventory & Assessment Due Dec. 15!

The Assessment, which is the first of its kind on a national level, will be an opportunity to gather a wealth of information on QI processes from CAHs in a standardized manner.

**All CAHs are requested to complete the Assessment!**

Once collection is complete, hospitals will receive state and national comparison information related to the data collected through this Assessment.
