

SCoBIRC African American Research Training Scholars Program

The Spinal Cord and Brain Injury Research Center at the University of Kentucky is accepting applications for conducting cutting edge research training in neuroscience. The award (~\$6,000 anticipated) will be used to support a summer stipend in the laboratory of a faculty mentor.

Applications are Due Feb. 16th, 2024

Procedure for applying:

- Undergraduate students in their second year of study and above, as well as students enrolled in a Master's program, are eligible to apply
- Include an updated resume and unofficial transcript
- Fill out the information below and submit your completed application to: Ms. Zelneva Madison (zfrye@uky.edu)
- Ask your references to forward their letters directly to Ms. Madison
- We will review your application and, once approved, help you find a mentor
