*Office of Biomedical Education and  
Markey Cancer Center Office of Education & Mentoring*

## Conflict resolution in the lab: Strategies for getting what you need and what you want

Tuesday, October 4th, 2022

Nursing 504

10:00 – 11:30 am

*Breakfast provided with registration by noon on Friday 09/30*

### Ushma Neill, PhD

*Vice President, Scientific Education & Training  
Memorial Sloan Kettering Cancer Center*

Join this workshop to gain practical skills to handle conflicts that arise in the lab environment. This workshop includes an extended Q&A session in the last half-hour.

Dr. Neill has been in her current role since 2016 developing curriculum for trainees in rigor & transparency, statistics, computational biology, and imaging. She is also developing a large platform for science communication to wider audiences.
