

SAVE THE DATE: Monday, May 6, 2024 AT 6:00 PM EDT

YOU'RE INVITED TO A HEALTH EQUITY COMMUNITY ENGAGEMENT WEBINAR SERIES!

Webinar Session 3 of 3: Advocacy and Policy in Alzheimer's Disease Care

Join us on **Monday, May 6th at 6:00 PM EDT**, for the third webinar in our Alzheimer's disease webinar series, where we will discuss the importance of advocacy in addressing disparities related to Alzheimer's disease and highlight the significance of diversity in clinical trials and research.

In this webinar, we will discuss:

- Recognizing the importance of diversity in clinical trials
- Engaging faith-based organizations in clinical trial education and recruitment
- Understanding the impact of policy on Alzheimer's disease
- Engaging with policymakers that advance equitable access to early diagnosis and treatment

Meet the Speakers

Richard D. King, MD, PhD
Associate Professor of Neurology

Sanders-Brown Center on Aging
University of Kentucky

Deanna Darlington
