Elder Wellness Enrichment Initiative
Grant Opportunity

KORH

Kentucky Office of Rural Health

The Kentucky Office of Rural Health (KORH) is pleased to announce a grant opportunity for non-profit rural service organizations. This opportunity is to fund innovative projects that will create or enhance services for elders, to help them age in place in rural Kentucky. Projects may be entirely new or build upon existing services, but must be innovative and potentially serve as a best practice model to be shared around the state and country. All approved applicants will be required to collaborate with at least 1 of the following rural health stakeholders: Critical Access Hospital, Small Rural Hospital, Rural Health Clinic, Federally Qualified Health Center, local health department, or local EMS. Funding preference will be given to applications which place emphasis on nutrition. Applications requesting support to maintain existing services without new improvements or alterations will not be considered.

Budget: Up to $5,000
Project Period: December 2, 2023 to June 30, 2023
Application Deadline: November 30, 2022
Award Notification: On or before December 2, 2022

Quarterly Progress Reporting will be required.
