

# NANCY GRANT HARRINGTON, PHD

## Office

Department of Communication  
273 Blazer Dining Hall  
University of Kentucky  
Lexington, KY 40506-0012  
859-257-2295  
nancy.harrington@uky.edu

## Home

160 Creekwood Way  
Nicholasville, KY 40356  
859-881-5996 (home)  
859-492-0736 (cell)

## Education

University of Kentucky	PhD	Communication	December 1992
University of Cincinnati	MA	Communication	June 1987
University of Cincinnati	BA	Communication	June 1986

## Professional Academic Experience

University Research Professor, University of Kentucky, July 2018-present.  
Professor, Department of Communication, University of Kentucky, July 2007-present.  
Director, Kentucky Conference on Health Communication, January 1999-present.  
Director, Health Communication Research Collaborative, August 2017-present.  
University of Kentucky Center for Health Equity Transformation, Founding Affiliate Member, 2017, and Core Faculty Member, 2017-present  
Joint Appointment, Department of Health, Behavior & Society, College of Public Health, University of Kentucky, August 2004-present.  
Associate Dean for Research, College of Communication and Information, University of Kentucky, January 2005-June 2022. Chairperson, Department of Communication, University of Kentucky, July 1999 to June 2011. (Acting Chair, January 1999 to June 1999.)  
Associate Professor, Department of Communication, University of Kentucky, January 1999 to June 2007.  
Assistant Professor, Department of Communication, University of Kentucky, January 1993 to December 1998.  
Deputy Scientific Director, Center for Prevention Research, University of Kentucky, October 1993 to April 2000.  
Faculty Associate, Multidisciplinary Center on Drug and Alcohol Abuse, University of Kentucky, October 1997-present.  
Research Assistant, Center for Prevention Research, University of Kentucky, June 1988 to December 1992.  
Teaching Assistant, Department of Communication, University of Kentucky, August 1987 to August 1988; June 1989 to August 1989; June 1990 to August 1990.  
Teaching Assistant, Department of Communication, University of Cincinnati, September 1986 to June 1987.

## **Funded Research Projects**

*Delivering Pharmacist-led Tobacco Treatment using Board-Approved Protocols: A Feasibility Study*, PI. Research and Creative Activities Program, College of Communication and Information, University of Kentucky, May 2022 to April 2023.

*Enhancing the Public Health Benefits of Mammography Screening by Informing Women of Both Breast Cancer and Breast Arterial Calcification Results: A Randomized Trial to Promote Cardiovascular Health*, Consultant. National Cancer Institute, April 2021 to March 2026, \$702,634 in 2021. Guy H. Montgomery, Icahn School of Medicine at Mount Sinai, PI.

*A Multidisciplinary Approach to Sustainable Deprescribing in Patients Experiencing Polypharmacy: The DeRx Project*, Co-investigator. Igniting Research Collaborations Program, University of Kentucky, July 2019 to March 2020, \$26,971. Daniela Moga, Pharmacy, PI.

*Developing Guidelines for Cost-of-Care Conversations between Physicians and Patients in Primary Care and Cancer Care Settings*, Co-investigator. Research and Creative Activities Program, College of Communication and Information, University of Kentucky, May 2018 to April 2019, \$5,026. Allison M. Scott, Communication, PI.

*Advancing Health Communication Research through the KCHC-DCHC Conference Series*, Principal Investigator. National Cancer Institute and Office of Behavioral and Social Sciences Research, April 2018 to March 2023, \$75,000.

*Kentucky Drug Overdose Prevention Program, Prevention for States: Find Help Now*, Principal Investigator on scope account. Centers for Disease Control and Prevention, January 2018 to August 2018, \$96,910. Terry Bunn, Kentucky Injury Prevention Research Center, PI on primary account.

*Developing Guidelines for Cost-of-Care Conversations between Physicians and Vulnerable Patients*, Co-investigator. Research and Creative Activities Program, College of Communication and Information, University of Kentucky, May 2017 to April 2018, \$5,020. Allison M. Scott, Communication, PI.

*Patient-Centric Education Program and Patient-Provider Communication Intervention to Improve Medication Optimization in a Disparate Rheumatoid Arthritis Population*, Co-investigator. Pfizer, January 2017 to December, 2019, \$199,200. Elizabeth Salt, Nursing, PI.

*Advancing Health Communication Research through the KCHC-DCHC Conference Series*, Principal Investigator. National Cancer Institute and Office of Behavioral and Social Sciences Research, April 2012 to March 2018, \$125,000.

*Digital Content Analysis Lab Expansion*, Principal Investigator. Oak Ridge Associated Universities, September 2011 to August 2012, \$15,000.

*University of Kentucky-Increasing Networks for Campus Awareness to Suicide and Emergencies (UK-IN CASE)*, Consultant. SAMHSA, September 2008 to September 2011. Julie Cerel, Social Work, PI.

*Kentucky Consortium for Applied Oral Health Research and Treatment (KY Carat)*, Consultant. Health Resources and Services Administration, August 2005 to July 2006, \$1,300,000. Robert Kovarik, Dentistry, PI.

*Persuasive Strategies for Effective Anti-Drug Messages*, Principal Investigator (5/02-2/06). National Institute on Drug Abuse, September 1999 to February 2006, \$1,677,033. Lewis Donohew, Communication, PI (9/1999-4/2002).

*Sensation Seeking and Interventions: Filling the Gaps*, Co-investigator. National Institute on Drug Abuse, September 2003 to August 2006, \$521,280. Donald Lynam, Psychology, PI.

*Drug Abuse Liability and Sensation Seeking Status*, Co-investigator. National Institute on Drug Abuse, September 2003 to August 2006, \$599,224. Thomas Kelly, Behavioral Science, PI.

*Improving Medication Related Outcomes*, Principal Investigator on scope account. Centers for Disease Control and Prevention, August 2002 to August 2004, \$174,177. Donald Perrier, Pharmacy, PI on center account.

*Drug Abuse Prevention Tool Kit for Community Groups*, Independent Evaluator. National Institute on Drug Abuse, September 1999 to August 2003. \$576,816. William Hansen, Tanglewood Research, Inc., North Carolina, PI.

*Communication of Risky Sexual Behavior among Adolescents*, Co-investigator. National Institute of Nursing Research, September 1999 to August 2001, \$101,850. Sharon Lock, Nursing, PI.

*Targeted Prevention for 4th Grade High Risk Youth*, Co-investigator. Center for Substance Abuse Prevention, September 1996 to August 2000, \$1,367,826. Richard Clayton, Sociology and Center for Prevention Research, PI.

*Effective and Commercially-Viable Drug Education*, Independent Evaluator. National Institute on Drug Abuse, August 1996 to July 1999, \$238,725. William Hansen, Tanglewood Research, Inc., North Carolina, PI.

*Shame-Proneness among the Invisibly Disabled*, Principal Investigator. Interdisciplinary Human Development Institute, February 1996 to June 1996, \$500.

*Drug Abuse Prevention: A Lifecourse Perspective*, Co-investigator. National Institute on Drug Abuse, September 1995 to August 1998, \$840,042. Richard Clayton, Sociology and Center for Prevention Research, PI.

*Etiology of Adolescent Substance Abuse: Selective Intervention*, Co-investigator. National Institute on Drug Abuse, September 1995 to August 1998, \$747,488. Richard Clayton, Sociology and Center for Prevention Research, PI.

*Amphetamine Abuse Liability and Sensation Seeking Status*, Co-investigator. National Institute on Drug Abuse, September 1995 to August 1998, \$626,866. Thomas Kelly, Behavioral Science, PI.

*Talking About Alcohol and Drugs...Among Greeks*, Co-investigator. National Institute on Drug Abuse, September 1992 to August 1995, \$335,327. Richard Clayton, Sociology and Center for Prevention Research, PI.

*A Small-Scale Targeted Drug Abuse Prevention Campaign*, Co-investigator. Center for Substance Abuse Prevention, September 1991 to March 1995, \$660,466. Lewis Donohew, Communication, PI.

## Invited Presentations and Interviews

- Traditions and trends in health communication*. Research Colloquium presentation to the Department of Communication, University of Missouri, April 29, 2022.
- A systematic review of cost-of-care conversations research: Working toward evidence-based guidelines for patients and physicians*. Research Seminar Series presentation to the College of Communication and Information, University of Kentucky, April 10, 2019.
- Health communication research*. Presentation to the College of Health Sciences, University of Kentucky, September 6, 2018.
- Patient-provider communication skills for rheumatologists*. Presentation to members of the Department of Rheumatology, University of Kentucky, August 8, 2018. With Allison M. Scott.
- Rethinking risk: Prospect theory application in health message design*. Keynote address delivered at the 38<sup>th</sup> annual research symposium for the College of Communication and Information, University of Tennessee. Knoxville, TN. February 24, 2016.
- Mediated health campaigns*. Brief presentation and panel participation at the Annual Convention of the International Communication Association. Phoenix, AZ. May 25, 2012.
- Funded research: A pointy-headed administrator's perspective*. Panel presentation to the first biennial DC Health Communication conference, March 29, 2011.
- Health communication research*. Presentation to the College of Nursing, University of Kentucky, January 21, 2011.

*Persuasive strategies for effective health behavior change messages.* Presentation for Wake Forest University Department of Communication's annual colloquium, April 25, 2006.

*Extramural funding in a social science department.* Panel participant for the University of Kentucky New Faculty Orientation, August 17, 2004.

*Promotion and tenure process: A chair's perspective.* Panel participant for the University of Kentucky Tenure and Promotion Workshop, October 1, 2003.

*Increasing the effectiveness of public communication campaign messages for adolescents and young adults.* Presentation to the National Center for Chronic Disease Prevention and Health Promotion, Centers for Disease Control and Prevention. Atlanta, GA. April 17, 2003.

*The physician as professional communicator.* Lecture to the 2002 class of first year medical students, University of Kentucky, October 7, 2002.

*Resources for chairs.* Panel presentation for the University of Kentucky Teaching & Learning Center, March 27, 2002

*Issues of academic integrity.* Presentation for the University of Kentucky Teaching & Learning Center. February 27, 2002.

*Using biology to guide the design of anti-drug messages.* Presentation at the Society for Prevention Research Annual Conference, pre-conference workshop on Bridging Neurobiological, Behavioral and Prevention Science, Washington, DC. May 29, 2001.

*Communication of drug abuse science with prevention practitioners.* Presentation at the Washington Council of Governments Conference, Washington, DC. May, 2000.

*Jump Start program design and outcome.* Radio interview with Kathy Daley of the Canadian Broadcasting Corporation, September 9, 1997.

*Media strategies for teen pregnancy prevention.* To the Clay County Adolescent Health Task Force, March 13, 1997.

*How to write competitive grant proposals,* UKRF Grant Writing Seminar, January 28, 1996, January 29, 1997, and January 28, 1998.

*Teen problem behavior,* on Prime Line with Al Smith (radio talk show), March 21, 1996, and April 11, 1996.

*CC&IS health communication initiative,* to the UK Board of Trustees, April 30, 1996.

*Conducting focus group interviews as formative research,* Center for Substance Abuse Prevention Conference workshops ( $n = 2$ ), February, 1993.

*Designing more effective televised public service announcements,* Washington Council of Governments Conference, October, 1993.

## **Panels**

Panel Chair and Discussant, *Communicating health in personal relationships.* National Communication Association, Seattle, WA, November, 2021.

Panel Chair, *Health communication research and disparities: What has been done? What more can we do?* International Communication Association Convention, virtual, May, 2021.

Panel Chair and Participant, *The role of communication science in addressing the COVID-19 pandemic,* DC Health Communication Conference, Fairfax, VA, April, 2021.

Panel Participant, *Assessing interpersonal communication as a core competency for physicians,* National Communication Association Convention, Chicago, IL, November, 2009.

Panel Chair, *A town hall meeting on promoting health communication scholarship,* National Communication Association Convention, Boston, MA, November, 2005.

Panel Participant, *Spotlight on outreach and funding: Reviewing grant proposals for NIH and CDC,* National Communication Association Convention, Boston, MA, November, 2005.

Panel Chair, *Health interventions for the young*, Tailoring Health Messages: Bridging the Gap between Social and Humanistic Perspectives on Health Communication, Ascona, Switzerland, July, 2005.

Panel Co-chair, *Doctoral and early career preconference in health communication: Opportunities and challenges of moving health communication forward*, National Communication Association Convention, Chicago, IL, November, 2004.

Panel Co-chair, *A town hall meeting and briefing on promoting health communication scholarship*, National Communication Association Convention, Chicago, IL, November, 2004.

Panel Chair, *Top papers in health communication*, National Communication Association Convention, Miami Beach, FL, November, 2003.

Panel Participant, *Funded research in communication*. National Communication Association Convention, New Orleans, LA, November, 2002.

Respondent on Panel, *Contributing to the community: The intersection of basic and applied research*. National Communication Association Convention, Seattle, WA, November, 2000.

Panel Participant, *Extramural funding for communication research: Preliminary results of NCA funding survey*. National Communication Association Convention, Seattle, WA, Nov., 2000.

Panel Chair, *Prevention as basic science; basic science as prevention*, Society for Prevention Research, Park City, UT, June, 1998.

Panel Chair, *Medical encounters*, Speech Communication Association, San Diego, CA, November, 1996.

Panel Chair, *Methodology in prevention research*, Society for Prevention Research, Scottsdale, AZ, June, 1995.

## **Courses Taught**

Seminar in Health Communication	CJT 771 (Persuasive Message Design)
Seminar in Health Communication	CJT 771 (Patient-Provider Communication)
Seminar in Advanced Theory Construction	CJT 751
Proseminar in Health Communication	CJT 671
Proseminar in Interpersonal Communication	CJT 631
Health Communication	COM 571
Introduction to Health Communication	COM 471
Studies in Interpersonal Communication	COM 452
