Executive Summary:

**As a Scientific Administrative Leader:**

- Founding Director, Center for Health Equity Transformation (2018-current): Established UK's inaugural research and training center to undertake impactful discovery, address health inequalities and promote diversity, equity, and inclusion (DEI). Enacting the vision for and mission of a transdisciplinary organization fostering research productivity among over 400 trainees, staff, and faculty across 19 colleges in a land grant institution. Secured institutional, NIH, foundation, and philanthropic support to build a new research enterprise. Established operational procedures and strategic management for critical activities including recruitment and retention of new faculty, enrichment activities (speaker series, pilot funding, workshops and training), and ensuring an inclusive and productive academic workplace.
- Associate Vice President for Research (2018-current): Supporting and leading campus wide initiatives to enhance research productivity for UK's \$468 million/annual research budget, this position has responsibility for initiatives focused on strategic investment, research collaboration, enrichment programming and inclusive research professional development. Co-led UK's DEI Research workstream. Co-lead for all DEI research activities.
- Associate Director, UK's Center for Clinical and Translational Science (NIH/ NCATs, 2016-current): Directing translational research networks and community engagement activities; developing inclusive research training programs; administering a pilot and seed grant program; intersecting with national leaders on translational research, including clinical trials.
- Associate Dean for Research in UK's College of Public Health (2014-2017): Overseeing research portfolio of \$53 million/annually. Had primary responsibility for supporting and promoting research excellence and developing the first research strategic plan including: enrichment programming; research design consultation and career mentorship; pre- and post-award processes; budgetary and regulatory oversight; and integration with university research management.
- Elected or appointed to the following positions: member of three standing NIH study sections; five editorial boards; Guest and Associate Editor; national panels; board member of several national scholarly societies; chair of self-study reports, space and buildings, and search committees for provost, deans, research center directors, and chairs.

**As Scientist, Mentor, Educator**

- Continuously funded by the NIH since 2000, with over \$35 million in grant funding as Principal Investigator or MPI; over \$37 million as PI/director on multisite network grants; and \$18 million as co-investigator. PI/MPI on 9 NIH R01s or equivalent since 2004.
- Recipient of extramural funding across a diverse array of NIH institutes, including the National Cancer Institute, National Institute of Diabetes, Digestive, and Kidney Disease, National Institute on Aging, National Institute for Mental Health, National Heart, Lung, and Blood Institute, National Institute on Minority Health and Health Disparities, National Institute of Environmental Health Sciences, National Heart Lung and Blood Institute.
- Extensive experience with research foundations (American Heart Association, Robert Wood Johnson, Retirement Research Foundation) and other governmental sponsors (NSF, CDC, Agency for Healthcare Research and Quality, USDA).
- 160+ peer reviewed publications in diverse, transdisciplinary journals.
- Professor and Mentor in Health Equity Research: Taught 10 different undergraduate and graduate courses; served as a PI, MPI or co-investigator on eleven training grants, NRSA, supplements, and K awards, and as mentor to 72 undergraduates, graduates, and postdoctoral researchers and 36 junior faculty members.
- Inclusive Research Professional Development Programming: Developed and implemented four separate programs over the past six years, all focusing on enhancing research success among underrepresented populations to improve workforce inclusivity.

## **I. Education**

B.A. in Political Science and Development Economics, Franklin and Marshall College, Lancaster, Pennsylvania, May, 1985.

M.A. in Socio-Cultural Anthropology, University of Texas, Austin, Texas, December, 1987.

Ph.D. in Interdisciplinary Program in Medical Anthropology, University of Florida, Gainesville, Florida, December, 1994.

## **II. Professional Research Interests**

- Health equity and diversity, equity, and inclusion, particularly focused on rural residents, Black, Hispanic, and Native American/Alaska Native populations & chronic disease prevention and control.
- Culturally appropriate health interventions, including community-engaged randomized controlled trials and implementation science research, cultural adaptation, qualitative methods, and complementary methods.

## **III. Academic Appointments**

Assistant Professor, Department of Behavioral Science, University of Kentucky College of Medicine, Lexington, Kentucky, 1996-2001.

Assistant/Associate/Full Professor, Department of Anthropology, University of Kentucky, Lexington, Kentucky, 1996-present (joint appointment).

Assistant/Associate/Full Professor, Department of Internal Medicine (Division of Cardiology), University of Kentucky College of Medicine, Lexington, Kentucky, 1997-present (joint appointment).

Faculty Associate, Doctoral Program in Gerontology, University of Kentucky, Lexington,

Kentucky, 1997-present.

Associate Professor (promoted, with tenure), Department of Behavioral Science, University of Kentucky College of Medicine, Lexington, Kentucky, 2001-2007.

Secondary member, Department of Communication, University of Kentucky College of Communication, Lexington, Kentucky, 2002-present.

Faculty Affiliate and Graduate Faculty Member, Gender and Women's Studies Program, University of Kentucky, Lexington, Kentucky, 2002-present.

Associate/Full Professor, Department of Health Behavior, University of Kentucky College of Public Health, Lexington, Kentucky, 2004-present (joint appointment).

President's Professor, Center for Alaska Native Health Research, University of Alaska/Fairbanks, 2006-2014.

Associate Editor, The Gerontologist, 2007-2013. Decision editor for 90+manuscripts annually.

Professor (promoted), Department of Behavioral Science, The University of Kentucky College of Medicine, Lexington, Kentucky, 2007-present.

Faculty Affiliate, University of Kentucky Center for Poverty Research. 2010-present.

Co-Director and Director, Community Engagement Core, University of Kentucky Center for Clinical and Translational Research, 2013-2018.

Associate Dean for Research, College of Public Health, University of Kentucky, 2014- 2017.

Secondary Faculty Member, Department of Epidemiology, 2016-present.

Associate Vice President, Research Professional Development, 2018-present.

Founding Director, Center for Health Equity Transformation, 2018-present.

Associate Director, Center for Clinical and Translational Science, 2018-present.

#### **IV. Previous Professional Positions**

President, National Association for the Advancement of Colored People, Lancaster, Pennsylvania, 1983-1985.

Project Manager, United Action for the Elderly, Austin, Texas, 1986-1987.

## V. Funded Research Projects

### Current

Co-Investigator, (10%) “Researching Equitable Sleep time in Appalachia” National Institutes of Health, R01 MD016236. (Moloney, M, Badour, C. MPIs). total costs \$3,788,475; direct costs \$2,500,375. 9/01/2021—8/30/2026.

Co-Investigator, (10%) “Appalachian STAR Trial.” (Pediatric telehealth outreach) National Institutes of Health, U01OD033247. (Emmett, S. Bush, M., MPIs). total costs \$1,818,981; direct costs \$1,343,641. 9/01/2021—8/30/2026.

Multiple Principal Investigator, (10%) National Institutes of Health, (1T32 CA261786). (Dignan/Schoenberg) Addressing Rural cancer Inequities through Scientific Excellence (ARISE). total costs \$764,390; direct costs \$711,000. 08/01/2021-07/30/2026.

Principal Investigator, (20%) “Implementing an evidence-based mHealth energy balance intervention for a rural, Appalachian population,” National Institutes of Health, R01HL152714. (Schoenberg/Spring) total costs \$3,765,605; direct costs \$2,775,907. 8/01/2020-03/31/2026.

Co-Investigator, (10%) “Communities Helping the Hearing of Infants by Reaching Parents: The CHHIRP Navigator Trial” National Institutes of Health, R01DC017770-01. (M. Bush) total costs \$3,172,743; direct costs \$2,137,131. 04/01/2019-03/31/2024.

Principal Investigator, (10%) “Community to Clinic Navigation to Improve Diabetes Outcomes.” National Institutes of Health, R01 DK112136-01A1 (Schoenberg). Total costs \$3,068,390; \$2,036,660 direct costs. 08/01/2017-06/30/2024.

Co-investigator (2%) “Center for Appalachian Research in Environmental Science.” National Institutes of Health 1P30ES026529-01A1 (PI: Hahn). \$11,250,000, total costs. 5/01/2017-3/31/2023.

Associate Director, (10%), Kentucky Center for Clinical and Translational Science (Kern: PI) National Institutes of Health CTSA 1UL1TR001998. \$3,645,338, annual costs.08/15/20-06/30/2027

### As mentor (no effort charged, current):

“Maternal morbidity and mortality among Black women.” Alliant Health Solutions/NMF Medical Research Scholarship. Total costs \$20,000. 12/1/2022-5/10/2023.

“Increasing Physical Activity Through a Mobile Health Intervention Among Pregnant and Postpartum Women in a Rural Setting”. KY INBRE-IDeA (Tinius) Total costs \$40,000 5/1/2023-4/30/2024.

“Reducing Lung Cancer Risk among Appalachian Women Using Community-Engaged Intervention Research.” NIH/NCI. 1 K99CA277245-01 (Thompson, Schoenberg, co-primary mentor) Total costs \$957,730; Direct costs \$942,641. 2/1/2023 -1/31/2028

“A Group-level HIV Behavioral Intervention for Older Black Women: A Feasibility and Acceptability Study” NIH/NIDA BIRCWH supplement 1000100142 (Curry/Conor) Total costs

\$171,892. 9/1/2022- 8/31/2024.

“Improving Person-Environment Fit of Community-Residing Older Adults with Dementia Through Assessment and Individualized Intervention.” NIH/NIA K23 AG075262 (Rhodus, Schoenberg primary mentor) \$853,952.00, total costs. 09/01/2022-06/30/2027.

“Improving adherence to posttreatment follow-up care for rural lung cancer survivors through a community-clinic survivorship care team model.” NIH/NCI K01CA262342 (Lewis-Thames) \$835,000, total costs. 9/3/2021-8/31/2026.

“A Telemedicine and mHealth Intervention for Reducing Alcohol Consumption among People Living with HIV/AIDS.” NIH/NIAAA. 7 K01 AA025305-03 (Lauckner). \$853,000, total costs. 8/15/2019 - 7/31/2023

“Social and Biological Determinants of Pregnancy-Related Mortality and Morbidity Among Rural, Underserved Women.” NIH/NICHHD. 1 F30 HD103319-01 (Hansen, Schoenberg co-primary mentor) \$221,000, total costs. 8/2/2020 - 8/1/2024

“Social Network Analysis and Social Support Intervention for Rural Dwelling Older Adults with T2DM” NIH/NIDDK. 5 K01 DK116923-03 (Smalls, Schoenberg primary mentor) \$605,000, total costs 1/1/2019 - 12/31/2023

“Detecting Alzheimer’s Disease and Related Dementias in Rural Underserved Communities through Community Based Participatory Research.” NIH/NIA. K01AG064047-03. (Wiese). \$504,000, total costs. 7/1/2019-2/28/2024.

#### Pending:

Multiple Principal Investigator, (20%) National Institutes of Health, (Schoenberg/Conwell/Williams) UK ASCEND (Achieving Success in Community-Engaged research to elimiNate Disparities). 1P50MD019476-01. Total costs:\$3,849,999 Direct costs: \$3,349,999. 4/1/2024-3/31/2029.

Multiple Principal Investigator, (10%) National Institutes of Health, (Schoenberg/Swanson/Bradley/Vanderford) MARC (Maximizing access to Research Careers) at the University of Kentucky. 1T34GM158464-01. Total Costs: \$1,812,624 Direct Costs \$1,929,771. 7/01/2025-6/30/2030.

#### Past

Research Assistant, “Home Management Strategies of Black Rural Elderly Women with Diabetes.” (PIs: Lieberman, L.S. and Probart, C.). Diabetes Research and Education Foundation. 3/01/1992-2/28/1994. \$35,000.00 (total costs).

Principal Investigator, “Determinants of Dietary Adherence Among Rural African-American Elders with Hypertension.” National Science Foundation Dissertation Improvement Award. 6/1993-5/1994. \$12,000.00 (total costs).

Investigator, “Race and Residence Differences in Long-Term Care.” (PI: Coward, R.T.). National Institutes of Health/ National Institute on Aging, RO1-AG11183-04. 3/1995-10/1996.

Project Director, “Racial Differences in Information Sources, Health Beliefs, and Self-

Management Treatment Among Older Rural-Dwelling Women with Diabetes.” (PI: Coward, R.T.). National Institutes of Health/ National Institute on Aging. P-20-AG09649-05. 3/1995-10/1996.

Director of Field Operations, “Predicting the Use of Long-Term Care Services Among African-American Elders in Rural and Urban Settings.” (PI: Coward, R.T.). U.S. Administration on Aging. 7/1995-6/1997.
