### Faculty Project Mentor

Name:		Department:	
Campus Phone:		Email Address:	

## ADDITIONAL COMPONENTS

This application form is only one component of your submission. You or your mentor must also provide:

- Applicant's curriculum vitae (*in a separate file*)
- Mentor's NIH Format Biosketch (*in a separate file*)
- Mentor Application (*acceptable to complete in consultation with applicant*)

## CERTIFICATION AND VERIFICATION

By submitting this application, you certify to the Great Rivers AHA Affiliate and to the University of Kentucky College of Medicine that all information in this application and its auxiliary materials (with the exception of faculty letter and biosketch) is accurate to the best of your knowledge. We reserve the right to verify the information in this application, including grades, class rank, and course enrollment. If we find that information in the application is incorrect or that the research proposal is not original work, you may be disqualified from consideration for funding.

### Expectations of Trainee:

1. Formally meet with mentor every week
2. Attend USTiCR @ UK Research in Progress Meeting every Friday at noon
3. Send mentor and Executive Committee drafts of all abstracts, posters, and publications resulting from USTiCR @ UK project
4. Meet with the Executive Committee at end of USTiCR @ UK experience
5. Participate in Capstone Project: Present at Cardiovascular Research Day on November 3, 2017
6. Inform Executive Committee of future career plans upon completion of summer research

**I understand the above certification and verification statement and trainee expectations, and I agree to these terms.**

Application Due Date:

**March 15, 2019**

**1. Please describe your prior research experience. Include awards and presentations.**  
(1 page single spaced max).

Application Due Date:  
**March 1, 2018**

**2. Please describe your future career aspirations** (1 page single spaced max).

Application Due Date:  
**March 15, 2019**
